

Are there long term contracts or obligations?

AOS is a month to month subscription. Of course we have a terms of use, but other than that there are no obligations to continue to pay for the system if you dont feel it's right for you. We have this policy in place for one simple reason. We want to assure our users that we will continue to offer the very best tools at a fair price. If you don't agree, then you're free to go.
